

Hi my name is Andrea
I'm 10 year's old and in the
5th grade. My cousin's name is
Humberto he's 9 year's
old and in the 4th grade. We
heard about the tsunami wave in
Asia and, decided to help. We
each put in 5 dollars of our
savings to help the children in
Asia. It may not be a lot but
even something is always good.

We wish the best for
those in Asia!

With Care,

Andrea + Humberto
